

LOVE YOUR DECK? YOU'LL LOVE QUICK-FIX

Thinking of putting in a pool? Think you might build a deck around it? Think Quick Fix.

Insist on 'Quick Fix' Track now, and save yourself a whole lot of time, pain and money when it's time to replace the liner.

Once installed, replacement liners can simply be snapped in place, without the need to access the coping, which means your deck can stay completely intact - just the way you like it! Don't rip up your deck - Have your new pool fitted with Quick-Fix, and make liner replacements a snap! For more details ask your pool builder or visit www.abgal.com.au
